In-House Trainings:

GSMI offers customized one-, two- and three-day education programs to corporate entities and government agencies that wish to train their staff members in the comfort of their own facility. In-house trainings provide a curriculum tailored specifically to your office, program or agency in a cost-efficient way. Using today's in demand methodologies and strategies you can assure your training necessities.

Event Management Services:

In addition to our Conferences and Trainings GSMI provides a complete suite of services to support its clients in all aspects of conference management required. We can modify our service mix to include only those services you wish to outsource to align with your objectives.

Event Services include:

- ✓ Event, Conference or Training Strategy
- ✓ Exhibit Hall Management
- ✓ Registration and Housing
- ✓ Sponsorship and Exhibits Development
- ✓ Venue Sourcing and Contract Negotiation
- ✓ Content Development and Programming
- ✓ Marketing and Audience Acquisition
- ✓ Site Selection
- ✓ Event Operations and Logistics
- ✓ Financial Management
